1. Okay, so we admire Greyhounds as much as the next guy, but fair is fair. So only genuine, low-to-the-ground Dachshunds (Real Wiener Dogs) will be allowed to race. And we reserve the right to determine which dogs are wieners, and which dogs are not.
2. All racers must submit a registration form for each participant. All owners are required to sign a waiver releasing event sponsors and volunteers from liability. **THERE IS A \$5 ENTRY FEE FOR ALL DOGS. PROCEEDS WILL GO TO DREAM DACHSHUND RESCUE.** American Doxie Apparel will also be out as a cohost that day. Be sure to stop by and say hello to both groups.
3. The number of qualifying heats & bracket system will be determined closer to the event when we know the number of entries.

4. All dogs must have two people to race. One handler at the start and one at the finish.

5. You can use treats, toys, or stuffed animals to entice your dog towards the line. No lights, laser pointers or items thrown down the track will be allowed.

6. All dogs must start the dash with all paws on the ground. No throwing or tossing the dog over the line or you will be disqualified. First dog completely across the finish line will be the winner. All judges decisions are final

Tip for all catchers...The closer you are to the finish line, the more likely your dog is to slow down before the finish line. Please stay back from the line.

7. Once all paperwork and registration has been submitted your dog will be submitted into the draw

8. No humans on the dog track area.

9. All dogs must be on a leash at- all- times while not in the race area. Once finished with the races they must be put back on their leashes.

10. Please remember this is for fun! Although prizes are up for grabs no inappropriate behavior will be accepted.
